

Declaration of Bernadette E. Valdellon

I, Bernadette E. Valdellon, declare under the penalty of perjury that the following is true:

1. I am an adult resident of Arlington, Virginia. I am an associate attorney in the office of Victor M. Glasberg & Associates.

2. On September 30, 2019, I performed quick research on marriage license applications in Virginia. As our office intended to file its response to the defendants' motion to dismiss today, I did not have time to check every circuit court, but instead looked at a random sample of 29 circuit courts.

3. Of these 29 circuit courts, 8 posted their marriage license applications online.

4. Of these 8 marriage license applications, 4 – Alexandria, Chesterfield, Hanover, and Henrico – gave applicants the option to decline to state their race, and 4 – Arlington, Fairfax, Fauquier, and Gloucester – gave no such option.
